

Size: S – M – L

Materials: AdriaFil Globe Uni terra cotta (43) 17-18-20 balls, size 5 ½ knitting needles

Gauge: In Moss stitch, 17 sts and 28 rows = 10x10 cm. Take time to check gauge and switch needles if necessary.

Stitches:

1x1 Ribbing: alternately K1 and P1.

Moss st:

1st row: alternately K1 and P1.

2nd and following rows: knit into purl and purl into knit.

Cable pattern I: work following chart. — = transfer 3 sts to a cable needle, hold in front, K3; K3 from cable needle.

Cable pattern II: work following chart. — = transfer 5 sts to a cable needle, hold in back, K5; K5 from cable needle, — = transfer 5 sts to a cable needle, hold in front, K5; K5 from cable needle.

Cable pattern I and II: a white square = knit and x = purl. Only right side rows are indicated; on wrong side rows work sts as they appear.

Cable rib lower edge of front and back: 7-7-10 sts in 1x1 Ribbing, * 8 sts in Cable pattern I, 9-11-11 sts in 1x1 Ribbing, repeat from *, finish with 8 sts in Cable pattern I, 7-7-10 sts in 1x1 Ribbing.

Directions:

Garment is worked horizontally, beginning with left sleeve.

Cast on 46-48-50 sts and work the first row on wrong side, as follows: 19-20-21 sts in 1x1 Ribbing, K1, P6, K1, 19-20-21 sts in 1x1 Ribbing. Continue in 1x1 Ribbing, working Cable pattern I over the center 8 sts. Work until 12 cm total length, in the last wrong side row evenly increasing sts to obtain 54-56-58 sts. Continue in Moss st, working Cable pattern II over the center 24 sts. After finishing rib increase alternately 28x1 st at both edges, every 2 rows and 4x1 st at both edges, every 4 rows = 118-120-122 sts.

When you have 23-24-25 Moss sts at either edge of Cable pattern, start working Cable pattern II at both edges, i.e. at right edge starting with left side in chart and at left edge starting with right side in chart. Begin with half of a cable as soon as the amount of sts allows it. When work measures 38 cm, at both edges cast 43-44-45 extra sts onto needle. Continue working in following stitch pattern: 43-44-45 sts in Moss st, 24 sts in Cable pattern II, 23-24-25 sts in Moss st, 24 sts in Cable pattern II, 23-24-25 sts in Moss st, 24 sts in Cable pattern II, 43-44-45 sts in Moss st. Neckline shaping: when work measures 52-54-56 cm divide work and finish each side separately. At neck edge cast 1 extra st onto needle for finishing. When work measures 64-66-68 cm (= center of garment) continue working other half of pullover reversing all shaping. When work measures 76-78-80 cm work over all sts again (binding off the 2 extra cast-on sts) and when work measures 90-94-98 cm at both edges bind off 43-44-45 sts. Now decrease alternately 28x1 st at both edges, every 2 rows and 4x1 st at both edges, every 4 rows. When work measures 116-120-124 cm evenly decrease sts to obtain 46-48-50 sts and work another 12 cm in 1x1 Ribbing. Bind off in pattern.

Finishing: Pick up 90-98-104 sts along lower edge of front and back and work 12 cm in Cable rib as indicated in “Stitches”. Bind off in pattern. Sew sleeve and side seams.
